Sir,

I have the honour to forward herewith the papers mentioned in the margin in support of the title of the District Local Board, Belgaum, to the site of the Board's Kannada Boys' School at Bailur in the Bailhongal Taluka and to request that you will be good enough to let me know whether the title of the District Local Board, Belgaum, to the site of the school in question is good and in order for the purposes of a grant-in-aid.

(1) Site-plan.

(2) Extract para. 2 of no. 2391 of 19-1-37 from the Chairman, District School Board, Belgaum, to the President, District Local Board, Belgaum.

Sir,

With reference to your letter No.S-42(d)-260-D, dated the 9th September 1941 on the subject noted above, I have the honour to state that it appears that the District Local Board, Belgaum is in possession of the school-site and the building but that there is no documentary evidence to prove the title of the District Local Board to the School building. In such a case the procedure laid down by rule 5(b) of the rules given in Schedule D to the Bombay Primary Education Rules, 1924, should be followed. The form of agreement enclosed by you is not exactly on the lines of an agreement prescribed by Government. It may further be amended as shown on p.7 ante before the District Local Board is asked to execute it. The Plan and the draft agreement as amended are returned herewith.

Sir,

Grant

With reference to your no. 8177 of 17th September, 1941, on the subject mentioned above, I have the honour to say that generally trust-deeds or agreements, as the case may be, are taken from the Local Authorities for Building Grants and Grants in accordance with rule 11 of the Rules for sites (Schedule D to the Bombay Primary Education Rules, 1924), after the payment of building grants. Apparently the condition prescribed by rule 5(b) of the said Rules is to be incorporated in the agreement to be taken from the District Local Board, Belgaum, after the payment of the building grant. In view of this I presume that in the meanwhile there is no objection to considering the title of the District Local Board, Belgaum, to the site of the school to be good and in order for the purposes of a grant-in-aid, as the grant cannot be paid unless the title of the Board to the site is good and in order. I would enquire whether my presumption is correct.
